OPEN LETTER

TO: U.S President Donald J. Trump

The white House

1600 Pennsylvania Avenue, NW

Washington, D.C 20500

Dear Mr. President

From 1970's era , with "Monetary Love cult" Monetary Love policy, the U.S capitalist had invested MONEY TECHNOLOGY, PROFESSIONAL SPECIALISTS,EQUIPMENTS into the Chinese market with over 600 demographic million people at that time, with very cheap labor, thus US capitalists had truly implemented their policy of "Maximizing Enterprise –Profit" for the International business, Finance, Trade, and Commerce activities in the market Chinese domestic and world markets by the production of multiple products and foods " Made in China" were supplied to all consumers over the world, during the past half century.

Thus, those political, economic, and financial result provided tremendous prosperity to the U.S capitalists, subsequently the U.S remains the No 1 most powerful county . but at the same time, though, a very damaging reality had been occurred to humanity is that the Chinese communist party with their Politburo in hungriness and poverty status corrupted communist government has become the wealthy " Red Capitalists ".

Now in the 21st century, communist China is the world's No 2 powerful country in Politic, Economy, Finance and military, while the whole population of China is still living in poverty. Famine, lack of clothing, loss of peace, without freedom, human rights and human dignity have been robbed and violated under the governing of the Chinese dictatorial and totalitarian communist Maoist regime.

Actually, communist China is continuing its expansion of Communist Colonialist

Empire by carrying out its homogeneity policy. By executing the entire invasion of Southeast Asian peninsula, consisted of Vietnam, Cambodia and Laos, whose communist government are just China's henchmen and /or puppets.

Next, communist China has blatantly taken over the entire South East Asia Sea territorial waters, to deprive all the resources of the Southeast Asia nations, to implement their new governing rule in traffic control, and maritime commerce in S.E Asia Sea, despite all International Laws, as well as historical documents of the world, Vietnam, Cambodia, Laos and all Asian countries.

From Southeast Asian peninsula especially at the Laos on land and Vietnam mainland as well as its territory in maritime areas that are the strategic key- value locations in politic, economic and military, the red China Hegemony Thief will continue its invasion to take over the entire Asia then invade all five continents of the globe, so that humanity will become the slavery of the China Communist Colonialist Empire.

There are the hazardous Risks and Perils to the world causing by the Yellow Race danger, or so called Red China Communist invasion. Therefore; all people and nations around the world should work together to remove that " Hazardous Danger of Yellow Race Red China Communist Colonialist Imperior", in order to preserve Security and Peace for all human kinds of the free world's people eventually.

Mr. President, today we urge you to be more careful to deal with Xi Jin ping and the Communist at the bilateral interests summit between the U.S.A leader of freedom, democracy and the leader of the communist China, we would like to send our message to the U.S President Donald J. Trump and the people of the United States of America that The communist China is not trustworthy integral Government , they have kept no promises or any agreement to anyone in the world.

States and the governments and their people of all countries, in the Free World our warning messages are as follows:

- 1- Would you please never hear, believe the words or promises containing all intrigue, cunning ,deception, betrayal traps from Xi Jin ping and Chinese communist group, because communist has never kept their promises, but always maintains a role of deception and betrayal. History has proved that they had betrayed even their signature to implement their real colonialist invasion, in order to make its expansion of Communist Hegemony, that is their goal for any price.

- 2- The communist Red China is a kind of Imperialism, Despotism, Colonialism regime decided to invade, take over and dominate every countries on earth, using all malicious and ambitious tactics, strategies, tools, means intrigues, trap.
- 3- U.S.A , EUROPEAN UNION, JAPAN, INDIA and other freedom countries should be cooperated to abolish, terminate the illegal occupation and domination of the Red China government on all Islands and countries in North and South Pacific Ocean, and liberate , re-implement the Free International Maritime Navigation on the South East Asia Pacific Ocean
- 4- U.S.A and every Freedom country should deploy, Implement, Achieve as soon as possible the Economic blockage , Encircle, Boycott, against the Red China Communist and Assist the Free China people Revolution to eliminate the Red China Communist Regime in order to save their Billion poor and unhappy Chinese people.
- 5- Communist regime never changes, but communist regime only must be placed by Freedom, Democratic Regime.
- 6- U.S.A and European Union and other Freedom countries must support and assist the Southeast Asian Nations including, Vietnam, Laos and Cambodia the freedom people to eliminate the communist regime for the liberation of their countries. The Communist Regime must be eliminated.
- 7- We urge President Donald J. Trump and the U.S administrative Cabinet, in this term together with the U.S Congress should make the integral and right action for freedom and democracy, along with U.N and 12 nations that signed and ratified the Treaty of Paris Peace Agreements concerning the end of the Vietnam war and the U.S.A Secret war in South East Asian Nations including Laos and Cambodia (Gen Act, Jan 27 & Final Act, Mar2, 1973) in order to restore the rights to self-decision of the people of South East Asian nations, supporting them to preserve and conduct the security of each national territory and Maritime area of Vietnam, at the same time have backed the " United Entire of Republic of Vietnam" and support the other South East Asian nations including Laos and Cambodia which implementing and supporting to develop for free and fair pluralist general election with multiple political parties for Vietnam Laos, and Cambodia under the supervision and monitor the process by the United nations.
- 8- In the 2st decade of 21st Century would you please setup the new history of Southeast Asian Nations to be Free countries. Mr. President of the U.S people then together with the free world make come true the solemn declaration Ex-Russian democratic President Boris Yeltsin (a former Russian Soviet Communist Party member) as follows

" Communist is incorrigible"; But Communist must be changed "

We pray for brave U.S President Donald J. Trump with US Congress will stop the Red Communist China's world domination and eliminate the Communist totalitarian in South-east Asian Nations, as per the two Articles #7 and #4 of the Paris international Treaty Final Act of March 2th, 1973, in making the cited Final Act execution come true, even the guilty invader Red China who betrayed their signature in occupying the Vietnamese Paracel, Spratly Islands in 1974 cannot deny, forget their responsibility ;,and then prevent the Communist slavery imposition to Free world's humanity.

Our Respectful Regards.
